AADC Reference List

The references listed in this document were among those consulted by subject matter experts while developing the examination.

IC&RC shares this list as a helpful resource for candidates who are preparing for the exam. Please note that **IC&RC does not require, endorse, or officially recommend any specific reference**. Inclusion on this list simply means the resource was used during exam development.

We encourage you to use a variety of study materials that work best for your learning style. **Using any of these references does not guarantee that you will pass the examination.**
