

IC&RC Clinical Supervisor (CS) Reference List

REFERENCE LIST DISCLAIMER

This Reference List is provided to exam candidates as a courtesy to assist in exam preparation. IC&RC makes every reasonable effort to ensure that the materials listed are current, relevant, and free of bias, including having certified Subject Matter Experts review this list. However, IC&RC does not endorse or explicitly recommend any exam preparation materials, and studying these materials does not guarantee a candidate will pass the exam.

Candidates are encouraged to use a variety of materials to support their exam preparation. The references included below address topics outlined in the Content Domains of the CS Exam Candidate Guide. This list is reviewed annually and is currently in the process of being updated by a group of certified Clinical Supervisors.

Additional preparation materials can be found on the [IC&RC website](#), including study guides, practice tests, the IC&RC General Candidate Guide, and designation-specific Exam Candidate Guides.
